# DIY PAPER BAG BOOK

with Japanese Binding

## MATERIALS

Lunch-style paper bags

Sheets of Paper, slightly smaller than the paper bag

Hole Punch

Yarn or String

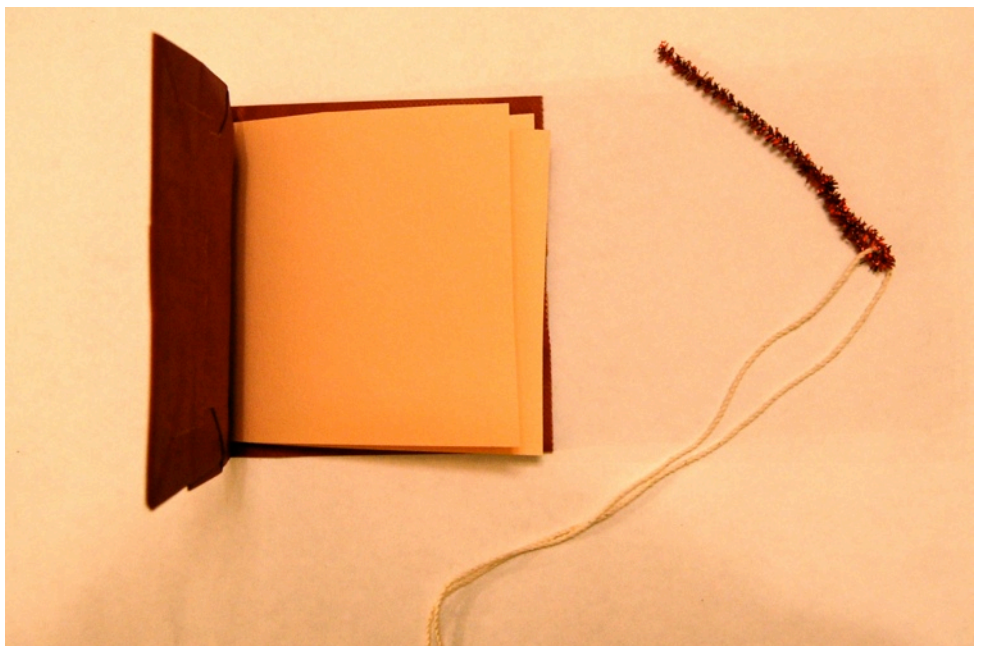

Pipe Cleaners- cut in half, the top folded over 1.5"

Decorative Materials

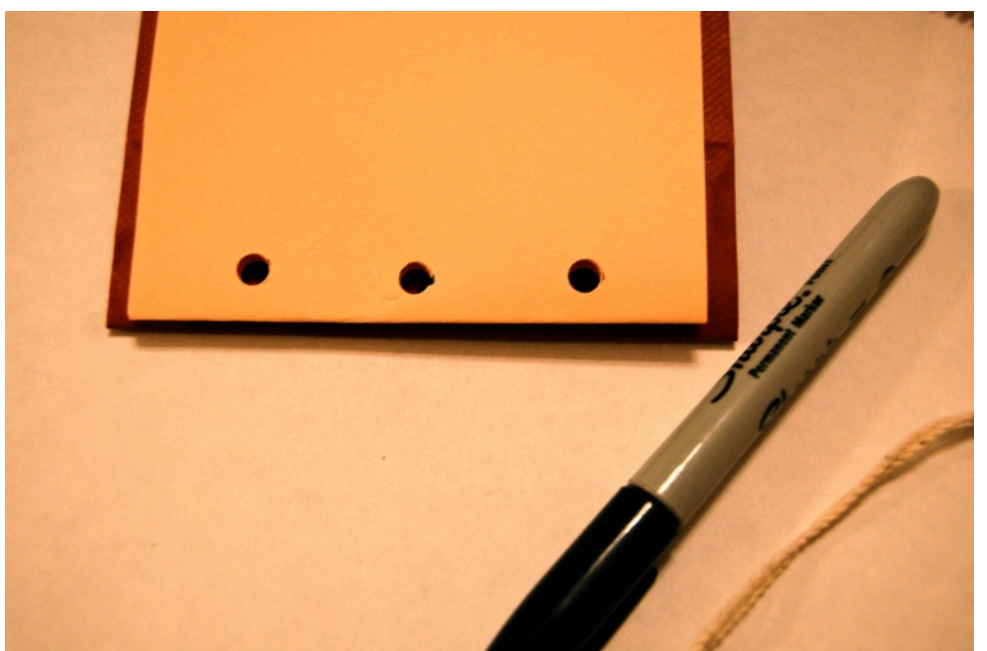

**1.** Fold paper bag and paper in half (hamburger-style).

**2.** Twist the pipe cleaner shut, creating a needle and run yarn through needle's eye.

**3.** Punch 3 holes, about 1/2" from the spine of your papers. If the paper is too thick to punch them all together, punch one paper at a time, and use a marker to draw the holes onto the other papers and bag.

3. Continued

4. Wrap the yarn through the holes, as described in the attached document

5. Decorate, embellish, and add notes or a story.
