

WEEKLY ACTIVITY CALENDAR

March 30 - April 3

MON

Make Cloud Dough. Mix 4 cups flour with 1/2 cup oil. Place it in a large tub or bin and add scoopers, bowls, spoons, and plastic tongs. Invite your child to play.

TUE

Go on a rainbow walk. Take a camera with you to snap photos of all the colors you find. Try to collect them in rainbow order: red, orange, yellow, green, blue, purple. Add brown, black, and white for extra points!

WED

Make your own paint brushes. Use rubber bands or tape to attach leaves, feathers, or other objects to the ends of chopsticks, twigs, or spoons. Experiment with your new paintbrushes and see what they can do!

THU

Paint on foil. Cover a piece of cardboard with foil. Tape in the back to hold it in place. Mix tempera or poster paint with a little dish soap (this keeps it from cracking on the surface) and invite your child to paint on the foil.

FRI

Make an upside down drawing. Tape paper to the underside of a table and invite your child to draw. This can be challenging, frustrating, or fun. Maybe all three?! What do you notice about this process?
